

“Aliner owners, wherever they may be, are a great bunch of friendly, outgoing people who have a unique outlook on camping and traveling experiences.”

Imagine the thrill of seeing rows of A-frames lined up together. That’s just what happened in June 2001, in Donegal, PA, at the First Annual Aliner Owners Rally. And at that rally, an owners club was formed, with members in the United States and Canada. There have been regional rallies and annual North American rallies every year since then.

Members receive:

- Quarterly Newsletter, *The Aliner Way*, filled with personal notes and experiences from members, as well as DIY hints and announcements of regional rallies.
- Two red, white and blue Aliner Club bumper stickers.
- Two red, white, and blue Aliner Club patches, suitable for sewing onto jackets, caps, etc.
- Members Directory, arranged by state, to make it easy to find new friends and set up local and regional get-togethers.
- Aliner Club Website, updated regularly with Do-it-yourself (DIY) news and camping stories.
- Invitation to the Annual Rally where everyone gets into the act, showing off their innovations at DIY Open House.
- An opportunity to get acquainted with some of the best, most interesting people you’ll ever meet.

What are you waiting for? Just send in the form and you’re on your way to fun and friendship with other Aliner fans.
